SALE CONTRACT

This agreement is for the sale of a pure bred Russian Blue kitten from Zabava Russian Blue Cattery

2. Health guarantees

2.1 The kitten is guaranteed to be in good health and free of disease at the time of sale. Buyer has seven days to have the kitten examined by a professional veterinarian. If a major health problem is discovered, a letter from a certified veterinarian is required to make a claim. The kitten then may be returned for a full refund or for another kitten of equivalent value at the seller's discretion. Seller does not bear responsibility for any veterinary bills or shipping costs.

2.2 The kitten is guaranteed to be free of FeLV (Feline Leukemia) and FIV (Cat AIDS) at the time of sale. Buyer has seven days to have the kitten tested by a professional veterinarian. If any of the two diseases are discovered, a letter from a certified veterinarian is required to make a claim. The kitten then may be returned for a full refund or for another kitten of equivalent value at the seller's discretion. Seller does not bear responsibility for any veterinary bills or shipping costs.

2.3 Seller does not bear responsibility for any minor health issues associated with travel and/or acclimatization of the kitten.

2.4 Seller does not bear responsibility for any damage, injury or death of the kitten while the animal is in transit. All claims must be addressed to the transport company.

SALE CONTRACT

This agreement is for the sale of a pure bred Russian Blue kitten from Zabava Russian Blue Cattery

3. Buyers obligations

3.1 The kitten must be spayed or neutered before the age of six months. Buyer must provide appropriate documentation to the seller. This animal is not to be used for breeding at any time. If the animal is bred accidentally or on purpose, the penalty will be \$2000 payable immediately to the seller.

3.2 Buyer bears responsibility for any costs associated with the transportation of the kitten.

SALE CONTRACT

This agreement is for the sale of a pure bred Russian Blue kitten from Zabava Russian Blue Cattery

Addendum

PET CLASS This animal is a companion cat. The kitten must be spayed or neutered before the age of six months. Buyer must provide appropriate documentation. This animal is not to be used for breeding at any time. If the animal is bred accidentally or on purpose, the penalty will be \$2000 payable immediately to the seller.

SHOW ALTER CLASS This animal is a show cat. Seller guarantees the kitten to be compliant to all standards of the breed and free of genetic defects at the time of sale. A testimony of eight show judges is required to make a claim. Contact seller for an appropriate form. Seller does not bear responsibility for the future show career of this cat as it depends on the circumstances in which the animal is kept in the new home. This kitten must be spayed or neutered before the age of six months. Buyer must provide appropriate documentation. This animal is not to be used for breeding at any time. If the animal is bred accidentally or on purpose, the penalty will be \$2000 payable immediately to the seller.

BREEDER CLASS This animal is a breeding cat. Seller guarantees this cat will be capable of reproduction. There are no money refunds. The cat may be replaced with another under following circumstances. In case of a male: if he fails to produce at least one live kitten following five breedings to at least two different proven queens. In case of a female: if she fails to get pregnant following eight breedings to at least three different proven males. Seller does not guarantee showability of this cat.
